

Qualitative Coding with NVivo: Installing the Software

This is an illustrated step-by-step guide on how to install the qualitative coding software NVivo, available for **free** for all Northeastern University students.

1. Log into your myNortheastern account.
2. Select 'Services & Links' from the top bar.

3. Scroll down to the 'Software & IT Support' category and select 'Software Downloads.'

4. Scroll down and select either Nvivo_12 for mac or windows depending on your operating system.

<input type="radio"/> NVivo_12 (Mac)	Nvivo 12.2.0
<input type="radio"/> NVivo_12 (Windows)	Nvivo 12.2.0

5. Read the License Agreement and click 'Accept.'
6. Select 'Installer' and click 'Continue>>'

Description	Abstract
<input checked="" type="radio"/> Installer	Nvivo 12.2.0
<input type="radio"/> Install Documentation	Nvivo 12.2.0
<input type="radio"/> License Update	Nvivo 12.2.0

7. Click download. You will need to input the **license key** during installation, so leave this page open, print it out, write down the key, or take a picture/screenshot of it.
