

Qualitative Coding with NVivo: Installation

[Click to schedule a meeting with the DITI Team](#)

This is a step-by-step guide on how to install the qualitative coding software NVivo, available for **free** for all Northeastern University students.

1. [Click here to navigate to the myNortheastern login page](#)
2. Log into your myNortheastern account when prompted.
3. Scroll down and select Nvivo 14 for either Mac or Windows depending on your operating system.

<input type="radio"/> Nvivo 14 (Windows)	Nvivo 14
<input type="radio"/> Nvivo 14 (Mac)	Nvivo 14

4. Read the License Agreement and click 'Accept.'
5. Select 'Installer' and click 'Continue'

Description	Abstract
<input type="radio"/> installer	Nvivo 14
<input type="radio"/> Install Documentation	Nvivo 14

6. Click 'Download.' You will need to input the **license key** during installation, so leave this page open, print it out, write down the key, or take a picture/screenshot of it, or copy/paste it.
7. Install the NVivo file you downloaded as you would any other application and input the license key when prompted.

If you are having difficulty with the above instructions:

- [Click here to navigate to the Northeastern Information Technology Services page](#)
- Search for NVivo, then follow the link for downloading on a personal computer.
