

Citation Management: Introduction to Zotero

Key Terms and Concepts

- **Library**: the folders that store your citation lists.
- My library: your individual libraries that can only be edited on your account.
- **Group libraries**: collaborative libraries.
- **Info**: the bibliographic information about a particular source.
- **Notes**: your own notes taken about a source.
- **Tags**: keywords chosen to organize and arrange sources.
- **Scholarly Databases**: subscription-based collections of scholarly journals and peer-reviewed articles. Northeastern has access to an array of scholarly databases through the library:
 - https://library.northeastern.edu/research/resources/a-to-z-index
- **DOI**: unique identifier of scholarly articles, such as 10.2307/358774
- **ISBN**: unique identifier for books (can be 10 or 13 numbers, such as 978-0809335541)

Helpful Resources

- Download Zotero: https://www.zotero.org/download/
- Create a Zotero Account: https://www.zotero.org/user/register/ (all data stored in Zotero is saved on your account, not your computer, which means you can access it from anywhere with internet access)
