Group Discussion

Break into groups and discussion these questions:

In your experiences using **Audacity** so far, what are some of the **strengths** and **weaknesses** of this program?

Have there been any difficulties using this software?

Describe how your processes of production (research, recording, writing the script, and editing) went. We will share these with the whole class.

Feel free to ask questions at any point during the presentation!

Objectives

- Continue to work on your podcasts in class with the opportunity to ask questions.
- Discuss your podcasts and questions as a class to understand different approaches to podcast production.

Feel free to ask questions at any point during the presentation!
