Introduction to the Digital Integration Teaching Initiative

German Program
Fall 2022

*Feel free to ask questions at any point during the presentation!*

Hello from DITI!

- [The Digital Integration Teaching Initiative (DITI)](#) collaborates with classes across the CSSH disciplines to introduce students to digital methods and skills.
- Modules we've created for the German Program:
  - KnightLab StoryMap
  - Website Building
    - Website Development and Design
    - Embedding Digital Media
    - Wix
    - WordPress
  - Creative and Effective Presentations
  - Conveying Information with Infographics

Handouts and other resources

The specific DITI modules that you are required to complete for this class will be embedded in the course site. However, it is useful to know where you can find other resources:
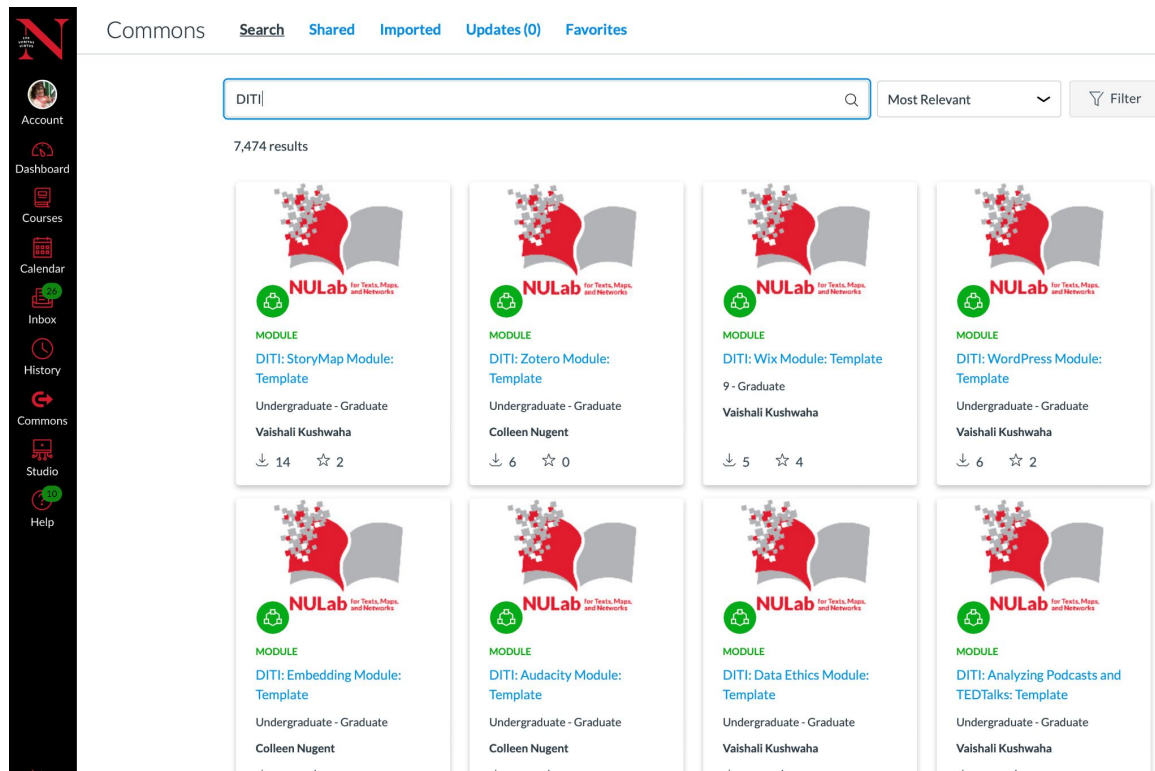

- Story Map [demo video](#) and [handout](#)
- WordPress [handout](#) and example of a [bad site](#)
- Wix [handout](#)
- Website planning [handout](#)
- Copyright and Fair Use [handout](#)
- [Sample student projects](#)
