Public-Facing Documentation

Podcasting

Making a social policy podcast using Audacity.

Individual Class Info

Social Policy
Emily Mann
Fall 2019

Summary of Module

This module will go over the basics of Audacity. The second portion of this module will be supporting students and asking questions while they edit and piece together their podcasts later in the semester.

Learning Goals

- Understand components for a compelling podcast
- Understanding the particular choices made when building a podcast
- Understanding how to use Audacity
- Understanding to edit a podcast

Learning Objectives

-

Materials for Module

- Documentation (this document)
- Handout
- Slides (Day I and II)
- Sample project
- Sample data

Internal Documentation

Workflow

- Molly:
  - Make Introduction to Audacity module (Day I)
  - Intro to Audacity handout.
